

## 'The Last Hurrah' Ryan Candidates Forum

On **Saturday August the 21st** the nation will vote.

On **Wednesday August 18th** you have one of the last opportunities to meet your local candidates and hear their views on issues important to you. Ryan is one of the most marginal seats in the country and it is important to know the person behind the 30 second sound-bite who will be representing you in Canberra.

Who are the 'Real' candidates?  
What personally drives their vision for our electorate and the nation?"

We have asked the candidates to address the following;

**Local issues** of concern such as \*transport \*overcrowded schools \*support for adaption of businesses to cleaner, greener practices

**National issue:** what do they see as the environmental, social and economic strategies needed to create a Sustainable Australia?.

Each candidate will have 10 mins to concisely state their position then the floor will be open to **your** questions.

Don't miss this opportunity to see your local candidates, Steven Miles- Labour, Sandra Bayley- Greens, and Michael Johnson- Independent ( Jane Prentice- Liberal, still to advise).

**When:** Wednesday August 18th 7:30pm  
**Where:** Uniting Church hall 982 Moggill Rd Kenmore

Invite your friends and neighbours.
