

Newsletter November 2010

Mount Crosby Country Market A Market with a difference

Hello and welcome to the second edition of the MCCM Newsletter.

There was a bit of rain around for the last market but we still had a fabulous turn out so thank you to everyone who supported our community market last month.

Congratulations to our Mount Crosby Country Market raffle winners.

September – Jane from Karana Downs.

October – Mrs Osborne from Barellan Point.

Who will win the November raffle???

A special thank you goes out to Carita and Hayden Spencer from the '*Mango House of Arts*'. They encouraged all the children to get in and help paint our new Mount Crosby Country Market sign. The sign will be placed on the fence at the back of the school where the market is located.

ENTERTAINMENT FOR NOVEMBER

You don't want to miss this one!!!! We have another fabulous line up of entertainment for November. This is very exciting. Dez and Vanessa from '*The Fabulous Lemon Drops*' specialize in fun, educational entertainment for the under 8's. Their shows feature "music with a message" delivered through the lyrics of catchy, upbeat, original songs and interactive dance moves. Their shows include a large focus on fun, plenty of laughs and a heap of audience participation.

Following is the fantastic family Trio – '*The Twine*'. Melani, Damio and their son ObiSun. The Twine won the Australian Busking Championships in 2009 and recently performed on the finals of Australia's got Talent 2010. This family band combine the sounds of didgeridoo, guitar, flute, percussion, quirky instruments from all over the globe, and thumping rhythmical drums with a fun filled interactive family show for everyone. They play great market music, creating a happy, joyous atmosphere that works for everyone.

There is so much to do and see at the Mount Crosby Market. We have a baby animal farm, pony rides, jumping castle and so much more. Shout yourselves to some yummy Breakfast and Lunch then wonder around the market place viewing all different kinds of art and craft, whilst taking in the wonderful market atmosphere.

Pop in and see Eve from '*Eves Korner*' – who has an impressive display of jewellery, bags, patchwork, craft and more. '*Bob and Kris Jensen*' can provide you with those much needed unique wooden toys, making wonderful Christmas presents for the children and grandchildren. Debbie from '*Australian Pure Organic Beauty*' can provide you with very useful information on Organic make-up and her Organic Beauty products range.

Have you tasted Debbie's delicious fudge from '*Fudge du Ciel*'? It is a taste of Heaven. While you are there, don't forget to pop in to see Vicki and Lionel from '*Angelzinc*' who sell a variety of new age jewellery, crystals and gem stones. If you are due for a reading, Vicki can provide you with an Angel, Psychic, Psychometry or Astrology reading and Lionel can provide you with a Reiki Massage.

Entertainment for December has also been booked. We will be having Children's Performer '*Nadia Sunde*.'

Nadia's performances are creative, fun, full of energy, for not only children but parents alike. Nadia was awarded 3rd place in the children's category of the 2009 International Songwriting Competition for her song, *The Goat and the Goose*.

After Nadia we will have '*Alvin and the Jahbutu Band*', the most authentic Calypsoians this side of the Caribbean Sea! They have the look, the moves and grooves to get D' toes tappin', D' waist line movin', D' vocal chords hummin' and D' dance floor shakin'. Jahbutu creates a vibrant, colourful and exciting blend of dance music, featuring traditional and contemporary West Indies music with all the hottest sounds of Soca, Calypso, some funky Ragga, Reggae beats and Afro/latin rhythms, classic covers and favourites from today's current music.

A special thank you also goes out to Megan and Walter Brockhurst from Karana Downs, Megan's mum Val and my wonderful partner Scott, who help me every month to prepare and run the market on the day. Also my mate Don, who built 4 wooden steps to make it easier for the cars to enter the market ground due to the building work going on at the top end of the field.

If anyone would like to volunteer their time to help out at the market or Sponsor this valuable community event, please contact me.

I really do hope you enjoy the market. I have created this market for the community to provide an outing for families once a month where they can shop, have breakfast, lunch, meet up with friends and pick up some goodies and fresh produce. In addition to this, my goal is to create a more multicultural focused market where we can

all learn and appreciate people from different countries, nationalities, learn more about their culture, food, art, craft and entertainment. The market is filled with loads of activities for children to help make the day enjoyable for the whole family.

I welcome your feedback and what else you would like to see at the market. You can do this via our website –

www.mtcrosbycountrymarket.com.au

If you would like some assistance promoting your small business, I am able to provide you with this exposure at the Mount Crosby Country Market. Please contact me on either my mobile or email address to discuss.

Just so you know....The toilets at the market are located above the upper field. Follow the rainbow flags. There is a First Aid Officer and First Aid Kit on site every month so if you require any attention, please go to the information stand which is located at the entry into the market.

Once again, enjoy your day and I look forward to seeing you all at our next market day which will be 7th November from 8am – 12pm. We operate the first Sunday in each month except the month of January.

Adios!!!!
