

WIN A GARDEN DESIGN & \$200 GIFT VOUCHER

To celebrate our 17th Birthday, Outside Impact Anstead is giving away a Garden Design Package plus a \$200 Gift Voucher to help get your garden project started.

The Garden Design Package includes a 1 hour home consultation to establish your needs, ideas, growing conditions and style you want to create. This is then consolidated into a working plan, planting schedule, budget and a set of practical notes to help you establish and care for your new garden. The \$200 Gift Voucher can be exchanged for quality plants or pots of your choice.

Simply call into Outside Impact to enter. The competition closes and will be drawn at 12 noon on Sunday 27th February 2011. All entrants are invited to attend.
