

# Moggill Markets @ Brookfield

23 December 2011  
www.moggillmarkets.org.au

## Merry Christmas

It really does start to feel like Christmas is just around the corner when you are at the twilight market. As well as providing the perfect opportunity for making sure that your produce is as fresh as possible, the twilight market is full of Christmas cheer. The QCWA Moggill Singers will be wandering the market singing Christmas carols and the River City Steel band will also be playing Christmas tunes. Catch up with friends, enjoy some dinner and soak up the Christmas atmosphere.

The Moggill Markets committee would like to take this opportunity to thank you all for your support since our move to the Brookfield Showgrounds. The markets have gone from strength to strength. Each time the market is on we look around at the stallholders and the customers all enjoying themselves and think that it really is fantastic to have such a market in the western suburbs. Our thanks also to the Brookfield Trust and the Brookfield Show Society for their ongoing support.

A huge thank you to our generous stallholders who donated items for the raffle – the Moggill Market team think you are all wonderful.

Many thanks to all our wonderful customers who bought raffle tickets to help us raise funds to pay Brisbane City Council for the development application they insist we lodge.

Congratulations to Janet, Wayne and Elaine – all delighted winners of the raffles.

Thanks also to Linda Ford of Living & Giving, Anstead for her generous prize.

Don't forget to collect your magnetic calendar with all of the market dates for 2012. They are available from the market office or from stallholders.

The first market of 2012 will be held on 7 January. We have a few things planned for next year, including the guess the weight of the pumpkin competition! We would also love to get some recognition for the great stallholders and customers of the markets, so plan on nominating for the delicious. Awards. More on that in the new year. And it is the Year of the Farmer in 2012 and what better way to support the farmers by shopping at a farmers market?

We look forward to seeing you all in the New Year.

Keep up to date with what is happening at the markets by following us on Facebook.
